Green Club Membership Request Form

The **Green Club** is Genesee's way of recognizing the contribution all of our customers make to our business. We know that good customers make our business better. We at Genesee Scrap want to be the best we can be and we need your help. We want you to join our **Green Club**. In return, you will receive special pricing and we will reward you for helping us be a better resource to you and our community.

All **Green Club** rewards are based on frequency of sales each month, volume of sales based on tons of ferrous and pounds of non-ferrous materials sold, good onsite customer behavior, quality of materials sold, safety practices and customer service improvement suggestions. Monthly rewards will consist of logo merchandise, restaurant coupons and recycled products. We will also offer added value coupons that can be printed out from our website or picked up at our office.

To join the **Green Club**, simply complete this membership request form. Once your **Green Club** membership has been established, your membership will be displayed on all subsequent Scale Tickets / Virtual Vouchers. Every month we will post **Green Club** standings at various on-site office locations.
