

Guidelines for Scrapping Vehicles at Genesee Scrap.

- You must have either a clear title (**without any liens**) or an "Abandoned Vehicle Form" from the department of Motor Vehicles. Cars using the "Abandoned Vehicle" form must be at least 10 years old. Forms may be obtained by visiting the DMV website at: www.nydmv.state.ny.us
- All forms must be filled out completely and signed.
- All fluids and oils must be drained
- The battery must be removed
- The gas tank must be removed
- You must take the tires with you
- If the vehicle is towed in, all tires on the road must be inflated. Cars on rims will not be accepted
- The individual towing the vehicle must have a valid drivers license
- Any vehicle rejected for evidence of fluids is rejected for 24 hours
- We reserve the right to reject any vehicle without cause
- We do not accept scrap cars after 4:00 PM Monday through Friday or after 10:00 AM on Saturday
